## About Us

Singapore may be a small country but it always stays strong and never fails. To us as a team, the Singapore Spirit is all about Singaporeans coming together as a whole to support one another no matter the circumstances. Giving it all on the court till the final whistle - that's the fighting spirit we will bring to the Games.

## Event(s)

Basketball Men

## Latest Sporting Achievements

“

The Singapore Spirit definitely means a lot to me. It means all Singaporeans coming together as one, sharing the same thoughts and aiming for the same goal.

Steven Khoo, Team Captain

”
